- Then search the course from course catalog
- From the course page select "Enroll to this online event"
- Applied online status received
- Administrator needs to approve

After the administrator accepts the enrolment, the course will appear in your "unfinished units" section on the "My training" page and you can start to study. Users with an ABB email are confirmed immediately and can access the course directly.

- After approval the course will show in your "Learning Events Containing Unfinished Units"
- Completed courses can later on be reviewed from Learning History

# How to print the course certificate

- The participant can print themselves the certificates:
- 1. After the course is completed
  - select reports

Learning History	LV Drives
(Transcript)	🚔 Online reports - DRV
Reporte	

2. Select the folder LV drives and select folder Online reports

Reports

- 3. Double click Course completion certificate LV drives e-learning
- 4. Select the time span from which to print course certificates and click OK. The certificate appears as a pdf – file which can be printed.
